Startling Discovery.—A man, who was walking on  
the street, was surprised by a gentleman carelessly  
tapping us on the shoulder, whom we had just passed. At first  
we did not recognize him; but when he told us he wanted to  
pay us a visit, we were glad to receive him. He is a man  
of great ability, and has written many articles in  
the "FOOT-ELECTRIC" and "RAVENSWOOD" and HY-  
PERION FLUID on his Hair and Whiskers. The effect pro-  
duced was so different, and his appearance so much improved,  
that we should be pleased to have him to pay us a visit  
again. Those who wish to renew their impressions of this  
kind will surely recommend to purchase these articles.

May be had in New York of A. B. & S. SANDS, Fulton-st.,
